POLLS

Pick the final date

Once people have answered, choose the date that works best and let everyone know. This guide is for organizers.

5 steps Checked **28 October 2026**

BEFORE YOU START

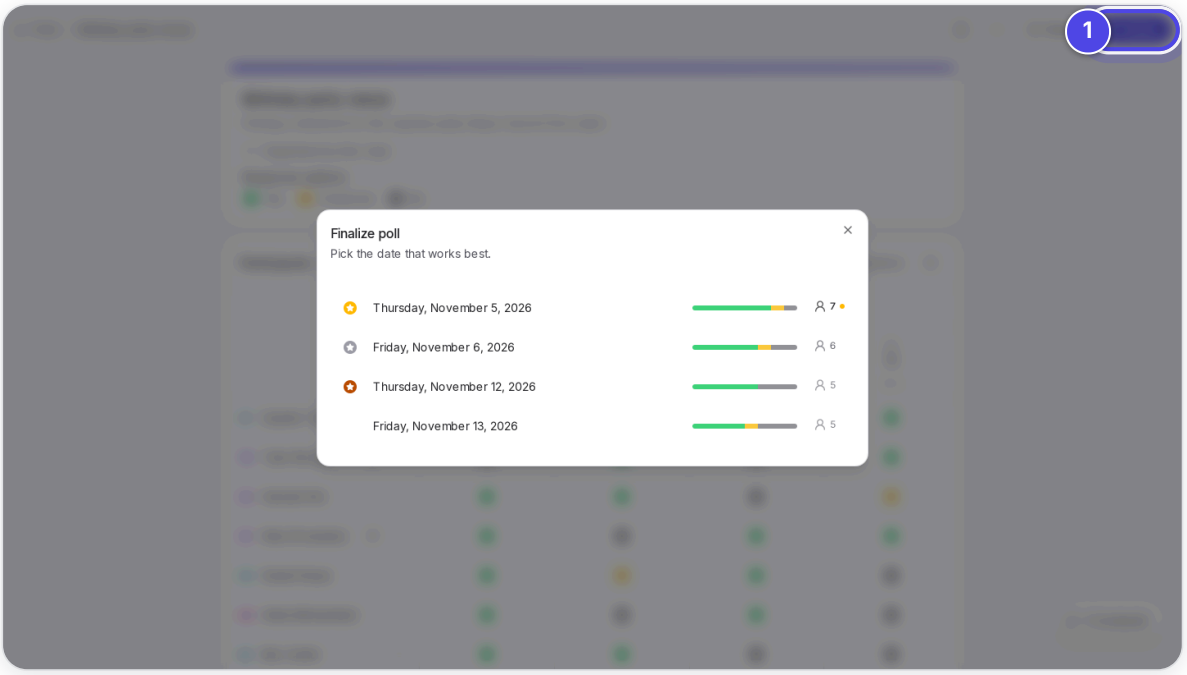

- Sign in as **an organizer**.

Steps

PART 1: CHOOSE THE DATE

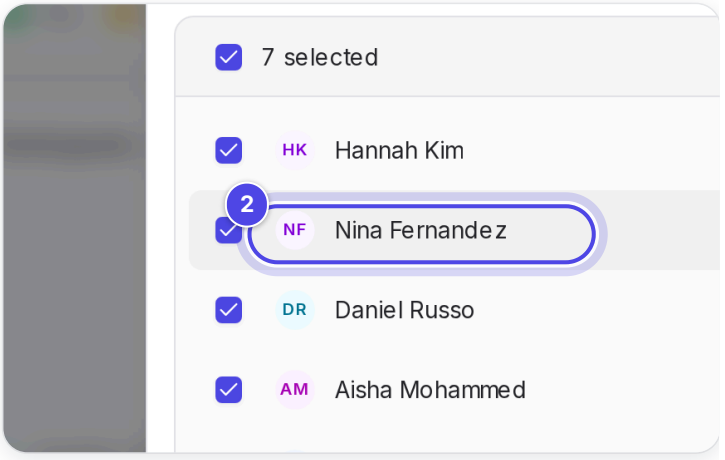

1 Open Finalize

Open the poll and select **Finalize**.

2 Choose the date

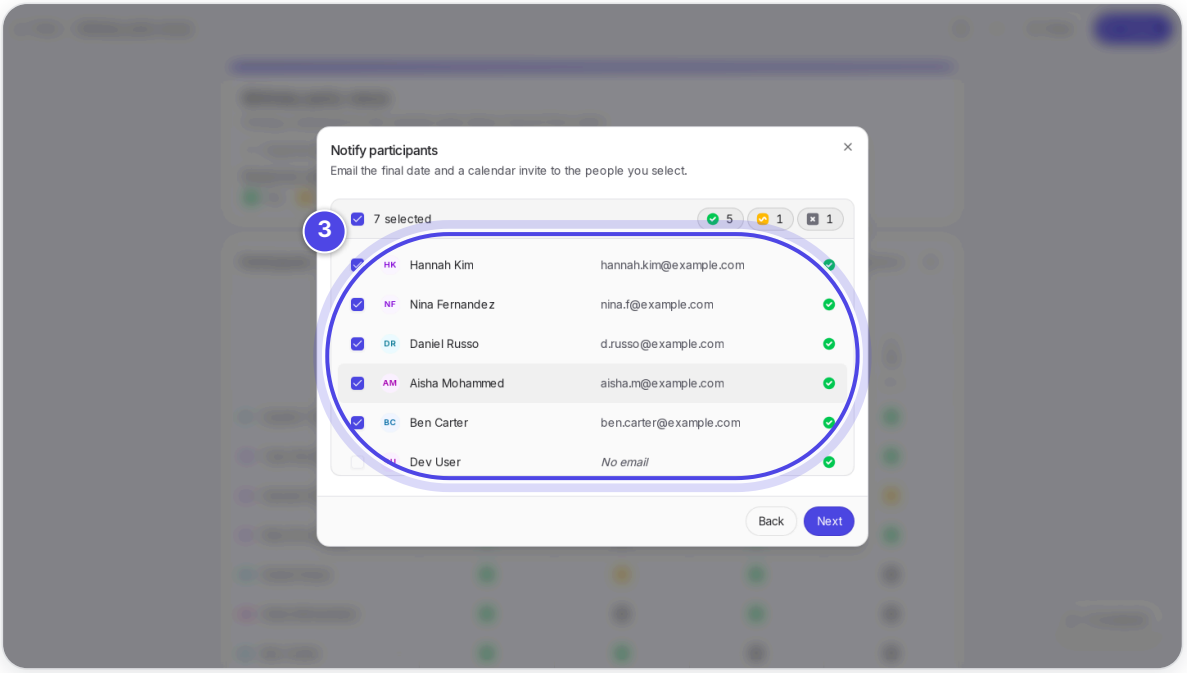

Dates are listed by how many people can make them, best first. Select the date you want.

PART 2: LET PEOPLE KNOW

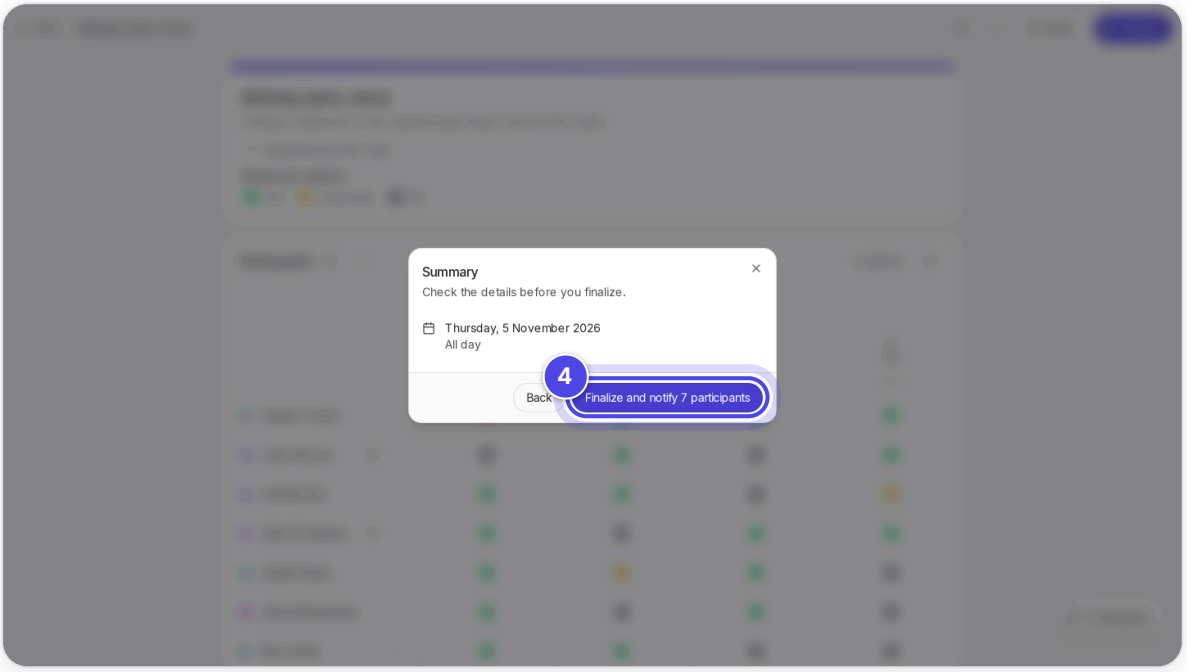

3 Choose who to tell

Everyone who answered is ticked. Untick anyone who shouldn't get the email and calendar invite, then select **Next**.

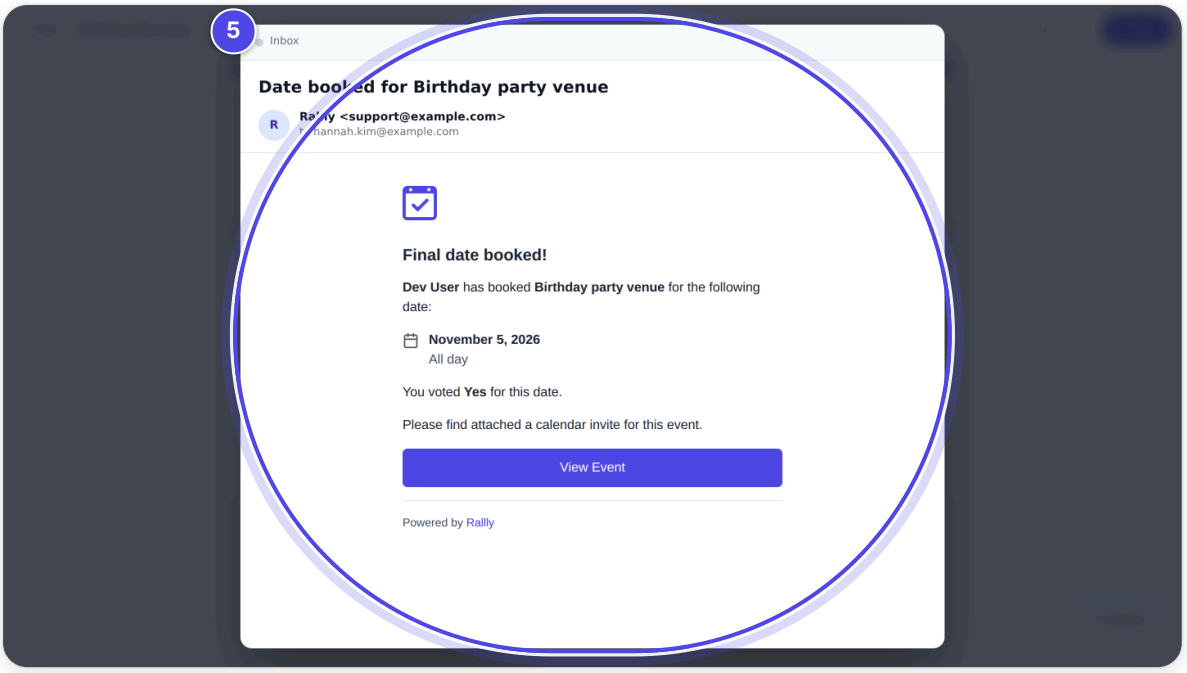

4 Check and finalize

Check the date in the summary, then select **Finalize and notify**. Rallly emails the people you chose and marks the poll as scheduled.

5 What participants receive

Each participant you chose gets an email with the final date and a calendar invite attached, so they can add it to their calendar.
